

March 4-5 (Sun, Mon) 2012 in Lansing, MI @ Delphi's
Creativity Center

chromacolour

*" I have never experienced a class or workshop with so many
'a ha' moments. From project ideas to real life experience this is the most useful event I have
ever attended. "*

-Bonnie Karet, Art Monkey Studio

Learn the art of glass fusing in a fun and friendly environment. Meet fellow studio owners, make new friends in the industry and learn how to increase your revenue with this popular art form.

Get Inspired and Make Money with Glass!

During this two-day event, industry experts will demonstrate new techniques and guide you through **6 inspiring projects**. Whether you are new to fusing or already familiar with the craft, this event will give you the skills to offer glass in your studio with confidence!

Learn marketing strategies to promote glass to your customers and tips for your employees to understand and appreciate glass fusing.
